This is Southern barbecue unlike any other that you will find today, unless you journey The Carolina back roads or go back in time and sit down at my Pop-pop's table. Our smoked meats are set apart from any other barbecue. Each item is distinct in both flavor and appearance due to our unique curing techniques, using special seasonings and genuine aged hickory in our smoker.

BBQ PLATTERS

Platters Served with choice of two meats, coleslaw & one Southern side
